Anyone may respond to or protest this filing. A response supports the filing and may contain information that proves useful to the CPUC in its evaluation. A protest objects to the filing in whole or in part and must set forth the specific grounds on which it is based. A protest shall also provide citations or proof where available to allow CPUC staff to properly consider the protest. The grounds for protests are:

1. SCE did not properly serve or give notice of the advice letter;
2. The relief requested in the advice letter would violate statute or CPUC order, or is not authorized by statute or CPUC order on which SCE relies;
3. The analysis, calculations, or data in the advice letter contain material error or omissions;
4. The relief requested in the advice letter is pending before the CPUC in a formal proceeding; or
