## NOTICE OF INTENT TO HOLD PUBLIC HEARINGS ON UNMET PUBLIC TRANSIT NEEDS

The Transportation Development Act Statutes and California Code of Regulations provides that public hearings be held to receive testimony on whether or not there are public transportation needs which can be met through the Transportation Development Act (TDA) Article 8 funds. The Los Angeles County Metropolitan Transportation Authority (LACMTA) must make this determination before it can allocate funds provided by TDA Article 8 to projects other than public transit.

This determination will be made by LACMTA from a review of the Regional Transportation Plan, the testimony received at the public hearings, and the recommendation of the Los Angeles County Social Services Transportation Advisory Council. This hearing will be concerned with funding for the upcoming Fiscal Year 2020-2021. Comments are solicited relevant to the public transportation needs in Los Angeles County especially as they relate to the elderly, handicapped or low income, or to provide transportation in environmentally sensitive areas.

Hearings will be held in:
